# **C# Starter: My projects**

#### 1. Introduction to .Net infrastructure

**Project 1** 

### 2. Machine mathematics. Variables and data types

**Project 2** 

**Project 3** 

**Project 4** 

#### 3. Variables and data types

**Project 5** 

**Project 6** 

**Project 7** 

**Project 8** 

**Project 9** 

#### 4. Conditional constructions

**Project 10** 

**Project 11** 

**Project 12** 

**Project 13** 

### 5. Logical and bitwise operations

**Project 14** 

**Project 15** 

**Project 16** 

**Project 17** 

**Project 18** 

#### 6. Cyclic designs

**Project 19** 

**Project 20** 

**Project 21** 

**Project 22** 

#### 7. Methods

**Project 23** 

**Project 24** 

**Project 25** 

**Project 26** 

**Project 27** 

### 8. Methods. Recursion

**Project 28** 

**Project 29** 

**Project 30** 

**Project 31** 

**Project 32** 

## 9. Arrays

**Project 33** 

**Project 34** 

**Project 35** 

**Project 36** 

**Certificate from TestProvider:** C# Starter
